Maths & Further Maths

Military Preparation

Music, Media & Performance

Protective Services

Science - Applied, Biology, Chemistry & Physics

Sports & Fitness

Travel & Tourism

Find out more online at: www.pembrokeshire.ac.uk or come to an Open Evening

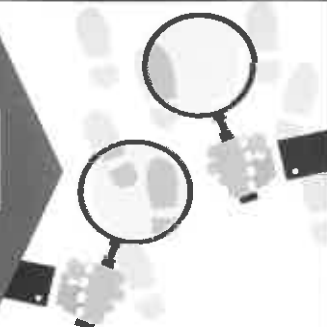

Apply to College...

A step-by-step guide

1 Do your research!

Do you hope to progress to university? Do you want to learn a trade in preparation for employment, if so, which one? Make sure to investigate different courses and their entry requirements prior to applying to College.

1

2

Go See...

Come along to an Open Evening to meet tutors, see the facilities and explore course options:
General Open Evening, 16 Nov 2022
A-level Open Evening, 12 Jan 2023
General Open Evening, 17 Jan 2023
All from 5pm to 7pm

3 Apply for a course

Visit our website, browse to the course you want to apply for and click "Apply Now". For A-levels choose any A-level course and during the application you can select which A-levels you would like to take.

3

4

Work hard at your GCSE exams

If you meet, or are predicted to meet, the entry requirements for your course you will be contacted with details of an informal course information session. Still unsure about which course would be best for you?
Call us on 0800 9 776 788

5 Get prepared for the information session

Check out the course content on the College website. Make a list of questions to ask. Speak to friends that may have studied at the College. Dress smart but casual.

5

High Five!

Congratulations!

Following the information session you will hopefully receive an email confirming your offer and any conditions. You'll then need to attend the enrolment event in late August, once you have received your GCSE grades. If your results do not meet the entry requirements, we may decide to offer you a place on a different course.
